PROFESSIONAL SUMMARY

Content moderation subject matter expert with three years across trust & safety and customer experience for global consumer brands, preceded by six years owning and running a restaurant. I set content-policy guidance, review escalated cases and coach moderators — work that rewards consistent judgement under pressure. Seeking a role where that judgement and process improvement matter as much as throughput.

PROFESSIONAL EXPERIENCE

Content Moderator (Subject Matter Expert) October 2025 – Present
IntouchCX — Patreon account

- Provide guidance and expertise on content policies to ensure accurate and consistent moderation decisions.
- Review complex or escalated cases and support moderators with quality feedback and coaching.
